Lite is a r	iver, that i	lows to the s	sea, enta	angled an	a witnerea	, tili enlighte	ned and free	
Now it is	fall pays th	hara'a laga n	oin nou	u thara'a a	wan hana			
Now it is fall, now there's less pain, now there's even hope								
I might find a way to survive								
What is this death, you are still here, helping me to cope Though there's no body. I feel you're intensely alive.								
Though there's no body, I feel you're intensely alive								
I feel you here, I feell you laugh, death's not what we think								
Only the slight of the hand of a mystical God Maybe a smile, maybe a pat, maybe just a wink								
From the celestial eye still it seems very odd								
i ioiii tiie	Celestiai	zye sun it set	cilio ver	y odd
